Notification No. G. N. 23, dated 14th February 1940.

To

All Hardware Firms.

GENTLEMEN,

7 STRAND, ⅜″ DIA. GUY WIRE.

Sealed tenders will be received in the Office of the Chief Electrical Engineer in Mysore, Bangalore, for the supply of 7 strand, ⅜″ dia. Guy wire up to 12 NOON on 1st March 1940 and the tenders should be superscribed "Tenders for Guy Wire to be opened at 12 NOON on 1st March 1940."

Galvanized Guy Wire, 7 strand, ⅜″ dia. in coils of 1 Cwt. .. .. 50 Cwts.

The firms should quote their best rate for delivery, f.o.r., Sagar, and also mention the exact date of delivery.

The Chief Electrical Engineer does not bind himself to accept the lowest or any tender, but reserves to himself the right to select any tender as he may consider it expedient to accept.

Withdrawal from the quotation after it is accepted or failure to make the supply within the stipulated time will entail cancellation of the order and the purchase being made at the firm's expense elsewhere.

Supply on this tender will be subject to the general conditions of contract prevailing in the Department for local purchases.

M. HAYATH,
Deputy Chief Electrical Engineer.

GOVERNMENT SANDALWOOD OIL FACTORY, MYSORE.

Notification.

TENDER FOR THE PURCHASE OF OLD CORNISH BOILER LYING AT THE INDUSTRIAL AND TESTING LABORATORY PREMISES, MALLESWARAM, BANGALORE.

1. Sealed tenders are invited for the purchase of Old Cornish Boiler (tested to work at a maximum pressure of 80 lbs.) and its available mountings, etc., appended herewith, available in the Government Industrial and Testing Laboratory.

2. Sealed tenders will be received at the Office of the Director, Sandalwood Oil Factory, Mysore, upto 5 P.M. on *15th March 1940*. The envelopes should be superscribed as "Tender for the purchase of Old Cornish Boiler."

3. Each tender must be accompanied by Rs. 50 as earnest money. The amount should be paid or remitted to the Office of the Director, Sandalwood Oil Factory, Mysore, in cash and a receipt obtained for the amount paid before the tenders are submitted. The earnest money (Rs. 50) of the successful tenderer will be adjusted towards the amount that will have to be paid to the Sandalwood Oil Factory in the event of the sale being settled in his favour. Such a deposit will not carry interest. The earnest money deposited by unsuccessful tenderers will be returned to them on submission of the receipt originally granted along with an application in original.

4. The tenders will be opened on 16th March 1940 at 3-30 P.M. The final acceptance of the tender will rest with the Director, Sandal Oil Factory, Mysore, who does not bind himself to accept the highest or any tender, or to assign any reasons whatever for the rejection of any. Quotations should be written in words as well as in figures.

5. The successful tenderer will be intimated in due course. Soon after the acceptance of the tender is intimated, the successful tenderer will be required to remove the Boiler within a week's time.

6. In all matters of disputes of any kind, the decision of the Director, Sandalwood Oil Factory, Mysore, will be final and legally binding on the successful tenderer.

7. Before the submission of tenders, the tenderers are required to inspect the Boiler and its accessories at the Industrial and Testing Laboratory.

8. Failure to comply with the conditions above stated will entail forfeiture of the earnest money and rejection of the tender.
